### Charities we are supporting in 2019

#### Church Urban Fund

CUF was established by the Church of England as a practical response to unmet need and has been active in local communities for over 30 years. Our vision is to see people and communities all over England flourish and enjoy life in all its fullness.

#### The Lynda Jackson Macmillan Centre at Mount Vernon Hospital

The Lynda Jackson Macmillan Centre offers a wide range of support and information services to people affected by cancer.

All services are developed to support patients and their families, helping them cope with all aspects of the disease from diagnosis, through treatment and beyond. Whether you are looking for information about treatments and side-effects or just need someone to talk to, the LJMC is here to help you.

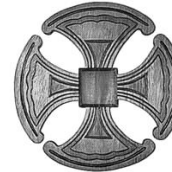

The great gift of Easter is hope-  
Christian hope which makes us  
Have that confidence in God,  
In his ultimate triumph,  
And in his goodness and love,  
Which nothing can shake.
